HP Wireless Laser Comfort Mouse

For a sculpted design and performance.
The HP 2.4 GHz Wireless Laser Comfort Mouse is designed for people who need to be mobile. The wireless technology means you'll experience less interference when you're working at home or on the road.

- **Get comfortable with a sculpted design and performance.**
  The HP Wireless Laser Comfort Mouse has an ergonomic, sculpted design for improved comfort, with five programmable buttons including a clickable scroll wheel.
- **Laser sensor works on most surfaces.**
  The 1,200 dpi laser sensor can work on most surfaces (1,200 CPI), so it's perfect for when you're working away from home.
- **Wireless for less interference.**
  The HP 2.4 GHz Wireless Laser Comfort Mouse's technology means you'll experience less interference when you're working at home and on the road, so you'll be able to work without frustration – for as long as you like.
- **Small micro-receiver can be left plugged in.**
  The HP Wireless Laser Comfort Mouse has a USB micro-receiver that's so small you can leave it plugged into your notebook.
- **Energy-efficient battery life.**
  Using an energy-efficient battery means you're helping to protect the environment. The HP Wireless Laser Comfort Mouse has a 15-month battery lifespan so it's both environmentally friendly and makes your life simpler.
